Economic Incentives for Historic Preservation

Landmark Historic Property Tax Abatement Program

The owner of an income-producing building, which is listed in the National or Georgia Register of Historic Places and has been designated by the City of Atlanta as a Landmark Building or a contributing building in a Landmark District, may obtain preferential property tax treatment. The building must be in standard repair or already have undergone rehabilitation. For purposes of tax assessment for City of Atlanta taxes, excluding bonded indebtedness, the fair market values of the building and up to two acres of land surrounding it, is frozen for eight years at the level existing at the time of application and certification. In the ninth year, the fair market value is fixed at one-half the difference between the frozen value and the current fair market value. The application for this tax freeze must be filed by December 31st of the year before the freeze will go into effect. For further information, contact Karen Huebner, Atlanta Urban Design Commission, 55 Trinity Avenue, SW, Suite 3400, Atlanta, Georgia 30335-0331 (404-330-6200) or khuebner@atlantaga.gov.

Rehabilitated Historic Property Tax Abatement Program

The owner of a building, which qualifies for listing in the Georgia Register of Historic Places and has undergone a major rehabilitation initiated after January 1, 1989, may obtain preferential property tax treatment. For purposes of tax assessment for City of Atlanta taxes, excluding bonded indebtedness, the fair market value is frozen at the pre-rehabilitation level for a period of eight years. In the ninth year, the fair market value is fixed at one-half the difference between the frozen value and the current fair market value. Qualifying rehabilitations must meet the standards promulgated by the Department of Natural Resources and must have increased the fair market value of the building by not less than 50% for owner-occupied residential real property, or not less than 100% for income-producing real property. The application for this tax freeze must be filed by December 31st of the year before the freeze will go into effect. For further information, contact Martha Marcille, Tax Incentives Coordinator, at the Georgia Department of Natural Resources, Historic Preservation Division, 47 Trinity Avenue, SW, Suite 414-H, Atlanta, Georgia 30334-9006 (404-651-5566) or martha_marcille@dnr.state.ga.us.

Federal Tax Credit Program

If a property is listed on the National Register of Historic Places, the owner or long-term lessee of an income-producing property is entitled to an investment tax credit of up to 20% of the qualified rehabilitation expenses of a substantial rehabilitation performed in accordance with the U.S. Secretary of the Interior's Standards for Rehabilitation. All buildings, sites and districts designated by the City of Atlanta are required to meet the criteria for listing on the National Register of Historic Places. For further information, contact the Georgia Department of Natural Resources at the address and telephone number above.

State Income Tax Credit Program

The owner of a building, which qualifies for listing in the Georgia Register of Historic Places and is planning to start a substantial rehabilitation on or after January 1, 2004, is eligible to apply for the credit. The program provides property owners of historic homes who complete a DNR-approved rehabilitation the opportunity to take 10% of the rehabilitation expenditures as a state income tax credit up to \$5,000. In the home is located in a target area, the credit may be equal to 15% of the rehabilitation expenditures up to \$5,000 and for any other certified structure, the credit may be equal to 20% of rehabilitation expenses up to \$5,000. DNR-approved rehabilitations must meet the standards promulgated by the Department of Natural Resources and must have qualified rehabilitation expenses that exceed the lesser of \$25,000 or 50% of the adjusted basis of a historic home used as a principal residence, \$5,000 for a historic home used as a principal residence in a target area, or the greater of \$5,000 or the adjusted basis of the building for any other certified historic structure. Further, at least 5% of the qualified rehabilitation expenses must be allocated to work completed on the exterior of the structure. For further information, contact the Georgia Department of Natural Resources at the address and telephone number above.

City/County Enterprise Zone Tax Abatement Program

Ad valorem property tax exemptions covering a ten-year period can be obtained by owners of qualifying historic multi-family and non-residential structures located in enterprise zone eligible areas. There is no minimum acreage requirements for proposed zones. Structures suitable for rehabilitation/renovation must provide a minimum of four multi-family housing units. For further information, contact the Enterprise Zone Planner at the Atlanta Bureau of Planning, 55 Trinity Avenue SW, Suite 3350, Atlanta, Georgia 30335-0310 (404-330-6145).

Development Impact Fee Exemption

The owner of a city-designated Landmark Building or a contributing in a Landmark District, which will undergo a rehabilitation or conversion, may obtain a 100% exemption from the payment of Development Impact Fees for building permits associated with the rehabilitation/conversion project. Such an exemption must be obtained prior to the issuance of a Building Permit. For further information, contact Chuck Adair, Atlanta Bureau of Buildings, 55 Trinity Avenue SW, Suite 3900, Atlanta, Georgia 30335-0309 (404-330-6153) or cadair@atlantaga.gov.

Façade Easements

A preservation easement is a legally enforceable commitment by a property owner to preserve the facades of a historic structure so that its exterior architectural features remain unchanged in perpetuity. Properties must be National Register-eligible structures. Federal and State income tax deductions can be taken as well as the possibility of other tax advantages related to a property's decrease in value as a result of an easement donation. For further information, contact Easements Atlanta, Inc. c/o the Atlanta Preservation Center, 327 St. Paul Avenue, SE, Atlanta, Georgia 30312 (404-688-3353)

TYPE I

CERTIFICATE OF APPROPRIATENESS

Pursuant to Section 16-20.008.A. of the Code of Ordinances of the City of Atlanta, the Executive Director of the Atlanta Urban Design Commission has reviewed Application Number _____ and all the attachments thereto, and finds that the proposed work set out below

constitutes ordinary repair and maintenance as provided for by the Type I Certificate of Appropriateness. Furthermore, the Executive Director finds the proposed work to be appropriate for said protected property.

Therefore, the proposed repair and maintenance is authorized and this Type I Certificate of Appropriateness is hereby approved.

DATE

EXECUTIVE DIRECTOR, AUDC

CONVEYED TO THE BUREAU OF BUILDINGS ON _____.

Notice

This document constitutes a Type I Certificate of Appropriateness for the property referred to above. This Certificate authorizes only those repairs and maintenance activities approved on the face of this Certificate. Issuance of the Certificate in no way obviates the requirement that the owner(s) secure all required Building Permits from the Bureau of Buildings, or any other required City permit(s), prior to beginning work pursuant to the Certificate.

This Certificate is hereby appended to all Building Permits, or other City permits, issued in furtherance of repairs authorized herein and becomes a part of said permit(s). Appeals from this Certificate may be made by any aggrieved person by filing with the Executive Director of the Atlanta Urban Design Commission a Note of Appeal specifying the grounds for such an appeal within five (5) days of the date of this Certificate. Code of Ordinances of the City of Atlanta Section 16.20.008.A.
